Short Description

Oasis - Semi-Inground Swimming Pools

Description

Oasis - Semi-Inground Swimming Pools

This aluminum slate wall pool is strong enough to support back fill up to 2' against the pool wall. Meaning this is a perfect pool for installations that are semi inground, installed into a slope, hill or uneven terrain.

ESP Advantages

Enhanced Structural Polymer Components

- **More Uprights on Every Pool.**

Resulting in a stronger top ledge that offers maximum stability.

- **Oversized Corrosion-Free Foundation System.**

Providing a long lasting foundation that continuously stands up to heavy weight and corrosive soil conditions.

- **Exact-fit Components.**

No universal components that leave extra holes open, all parts are made specifically for one size pool. Resulting in pool components that lock out corrosion.

- **Optional Wall Saver Panel.**

Designed to withstand stress at the point where water enters and exits the pool for filtration.

- **Stainless Steel Fasteners.**

High grade stainless steel nuts, bolts and fasteners, eliminating the worry of rust spots on your pool.

- **Interlocking Stabilizer Rails**.

Fits tightly over your liner and the top of the pool wall. locking the liner in place to increase its life.

Features

Creativity fueled by technology

- 8" Sturdy Aluminum Top Ledges
- 6" Aluminum Uprights
- Robust Aluminum for semi-inground installation
- Strong slat wall made from space-age Aluminum

Superior construction that's built for semi-inground installations, the Oasis is our Top-Of-The-Line Aluminum Pool. Enjoy the advantages that semi-inground installation has to offer - better landscaping, convenient access and a fantastic looking pool!

The Oasis oval pool system is available with the Yardmore Buttress free Oval system.

This streamlined system was designed to use less space in your backyard. A structurally simplified design with the superior strength and durability of our traditional construction that is both efficient and attractive.
