### Description

Reprieve - Aboveground Swimming Pools

The Reprieve is a 48" tall pool with 6" Steel Top Ledges and 5" Steel Uprights. This pool is an ideal replacement pool for the older 48" pools that need to be matched to the height of a previously built pool deck.

\*Aboveground Pool Installs and Electric Service to Pools are not Included in the Price

## **ESP Advantages**

## **ESP Advantages**

### Enhanced Structural Polymer Components

- **Oversized Corrosion-Free Foundation System.**

Providing a long lasting foundation that continuously stands up to heavy weight and corrosive soil conditions.

- **Exact-fit Components.**

No universal components that leave extra holes open, all parts are made specifically for one size pool. Resulting in pool components that lock out corrosion.

- **Optional Wall Saver Panel.**

Designed to withstand stress at the point where water enters and exits the pool for filtration.

- **Stainless Steel Fasteners.**

High grade stainless steel nuts, bolts and fasteners, eliminating the worry of rust spots on your pool.

- **Interlocking Stabilizer Rails.**

Fits tightly over your liner and the top of the pool wall. locking the liner in place to increase its life.

## **Features**

## **Features**

- 6" Steel Top Ledges
- 5" Steel Uprights
- Steel framework for strength and dependability
- One piece ledge cover
- Stainless Steel hardware

The Reprieve STR's steel structure is protected by a combination of finishes. Optimizing its resistance to corrosion while preventing condensation between the liner and the wall, ensuring a long life for your pool. The Reprieve STR provides affordable summer fun in a superior steel frame.

The Reprieve STR's oval pool system is available with the Buttress system. A structurally simplified design with superior strength and durability, that is both efficient and attractive.
