Description

Water Tech™ Volt® FX-8®Li

Cordless Pool & Spa Vacuum

Compact, powerful cleaning. Vacuum pool in minutes. The Water Tech™ Volt® FX-8Li is designed to clean large in-ground and above ground pools quickly and efficiently.

Volt FX-8 is designed to clean the largest in-ground pools easily and effortlessly, the Volt FX-8 uses an Ultra-High Flow pump to provide more power and suction than the other cleaners in its class. Volt FX-8 comes with a versatile 13 inch flexible vacuum head, the integrated spot cleaning/corner nozzle, or the easy-to-clean. With its larger debris chamber and reusable, high capacity filter bag provides 30% more debris capacity than other vacuums in its class.
