Price: \$9.99

Description

2 lbs - Saltscapes Shock

What it does

Contaminants like sweat, sunscreen and body lotions build up in your water causing the water to appear hazy and making your system work harder.

Bioguard Saltscapes Saltwater Pool Care Chlorine-Free Shock Oxidizer effectively eliminates these contaminants without creating unwanted by-products for clear, fresh odor-free water.

Directions for Use

Directions for Use

Use: Removes cloudy water contaminants such as sweat, sunscreen and body lotions for clear, fresh water.

Dosage: Add one bottle per 20,000 gallons of pool water.

Directions: Broadcast product into the deep-end of the pool with pump running.

For Best Results: Apply in the morning or evening when no one is swimming. Use directly before or after heavy use or severe weather.
