Description
Includes: 1 Packet of FROG Maintain Shock

One single dose packet of FROG Maintain non-chlorine shock for hot tubs make ongoing hot tub maintenance EASY. FROG Maintain is one dose in one single easy-to-pour packet for one easy maintenance shock.

For periodic shocking, use FROG Maintain. It dissolves rapidly in 15 minutes, eliminates organic contaminants and optimizes hot tub water Use once a month, one packet per 600 gallons.

FROG Maintain is Cyanuric Acid Free, which ensures so there’s no zero buildup – say goodbye to cloudy, smelly, irritating water that has to be drained and refilled constantly. Non-chlorine shock means you get the clean without Cyanuric Acid, ever. Use one single dose packet of FROG per Maintain per 600 gallons. No measuring, no guess, no mess, no

stress.

FROG Maintain is the recommended non-chlorine maintenance shock for all FROG hot tub products. FROG Maintain is a monopersulfate product so it’s compatible with all other hot tub chemicals.
